History of NISWMD

1990 to Present

1990

- ☻ February: DeKalb, LaGrange, Noble and Steuben Counties entered into an interlocal governmental agreement allowing a solid waste management cooperative to form (that would later become the solid waste management district). Each county contributed \$5,000 for initial operating costs.
- ☻ March: House Enrolled Act 1240 (HEA 1240) was signed into law mandating solid waste management districts to form by July of 1991
- ☻ March: Name changed from Four County Solid Waste Group to Northeast Indiana Solid Waste Management District
- ☻ March: A Request For Proposal (RFP) was released for development of a long range solid waste plan
- ☻ May: Documents officially forming the Northeast Indiana Solid Waste Management District (NISWMD) were ratified
- ☻ May: Each county budgeted \$50,000 towards NISWMD with \$25,000 being distributed early and the remaining only if needed
- ☻ June: All ratified documents forming the first multi-county solid waste district in Indiana were delivered
- ☻ July: First budget submitted to the Local Government Board of Review to become a new taxing unit
- ☻ September: First budget (with taxing authority) passed

1991

- ☻ January: NISWMD rents space in Auburn for an office
- ☻ March: Public Employee Retirement Fund (PERF) established for employees of the District
- ☻ July: Executive Committee became Board of Finance for NISWMD
- ☻ August: "R" days held in Angola and LaGrange with a mobile recycling unit
- ☻ October: Telephone survey conducted to determine levels of recycling in each county and waste generation habits
- ☻ October: Backhaulers, Inc. starts a private contractor service for recyclables in LaGrange and Angola
- ☻ October: Three compost sites are ready for use - Angola, Auburn and Kendallville
- ☻ December: Recycling unit for Hamilton set at Harger's Meat
