Wolcottville Recycling Station Relocated

Residents in the Wolcottville area will no longer be able to recycle at the IGA recycling station due to a change in land ownership.

Residents in Wolcottville will now have the opportunity to continue their recycling efforts in the Town of Rome City. Due to a change in ownership the recycling station was relocated this week to the vacant lot adjacent to the Street Department Garage across from the Rome City Post Office on Kerr Avenue. Efforts to identify a site in Wolcottville were not successful so the recycling station was moved to Rome City.

Curbing will be removed, fencing and a more substantial foundation will be added in the coming weeks. Please be patient as we work through this transition.

Should you have further questions, please contact the Northeast Indiana Solid Waste District at info@niswmd.org, 800-777-5462 or through our website at niswmd.org.
